## 2022 Melbourne ITI Education Week

*"Aesthetic Challenges of Replacing Multiple Missing Teeth in the Maxilla in the Digital Era"*

The 2022 Melbourne ITI Education Week is aimed at dental practitioners with an interest in dental implantology, and who would like to gain insights into the treatment planning for short and long edentulous spans in the maxilla in the digital world. This online program held over the month of February, will consist of four evening lecture sessions, each running for three hours duration. Accompanying and enhancing these sessions will be video of surgical and restorative procedures, as well as expanded clinical cases showing the treatment planning, execution and prostheses delivery from start to finish.

### Session 1: Treatment planning: What should I be looking for?

- Ridge alterations following tooth extraction and Ridge preservation: A/Professor Stephen Chen and Dr Anthony Dickinson
- Prosthodontic and Surgical pre-operative evaluation and treatment planning (intra and extra oral criteria): A/Professor Stephen Chen and Dr Anthony Dickinson
- Fail to plan... plan to fail: A/Professor Stephen Chen and Dr Anthony Dickinson
  - Moderator: A/Professor Roy Judge
  - Panel members: A/Professor Stephen Chen, Dr Anthony Dickinson, Dr Adam Hamilton, Dr Benedicta Wong

### Session 2: Soft and hard tissue management

- Timing of implant placement and soft tissue grafting: A/Professor Stephen Chen
- Principles of GBR: A/Professor Stephen Chen
- Number and distribution of implants: Dr Benedicta Wong
  - Moderator: Professor Ivan Darby
  - Panel members: Dr Benedicta Wong, Dr Stephen Chen, Dr Sarah Chin, Dr Carolina Perez Rodriguez

### Session 3: Design for interim and definitive prostheses

- Provisionalisation and soft tissue conditioning – Dr Anthony Dickinson
- Abutment selection and design of definitive prostheses – Dr Carolina Perez Rodriguez
- Combining Implants and partial removable dental prostheses – Dr Anthony Dickinson
  - Moderator: Dr Adam Hamilton
  - Panel members: Dr Anthony Dickinson, Dr Hossam El-Haddad, Dr Carolina Perez Rodriguez, A/Professor Stephen Chen

### Session 4: Treatment of the edentulous maxilla

- Fully edentulous maxilla (fixed vs removable): Dr Hossam El-Haddad
- Digital and analog considerations: Dr Adam Hamilton
- Full-arch immediate prostheses: Dr Philip Tan
  - Moderator: Dr Anthony Dickinson
  - Panel members: Dr Philip Tan, Dr Hossam El-Haddad, Dr Adam Hamilton, A/Professor Stephen Chen

Past ITI Week Participant feedback:

"The Melbourne ITI online courses enabled me to understand very important techniques. The cases shown during the Melbourne ITI Education week, carry an essential message for those who want to have a good and evidence based practice. I am looking forward to more courses that will support my knowledge within my daily practice".

### Key course details

#### Dates:

Session 1: Monday 7th February 2022

Session 2: Monday 14th February 2022

Session 3: Monday 21st February 2022

Session 4: Monday 28th February 2022

Time: 6.00pm - 9.00pm each evening

Location: Online, your home or office computer

#### Cost:

ITI Member: All 4 sessions: \$800 (inc GST)

ITI Member: Single sessions: \$240 (inc GST)

Non Member: All 4 sessions: \$1000 (inc GST)

Non Member: Single sessions: \$300 (inc GST)

Audience: General Dentists

#### Course presenters:

- A/Professor Stephen Chen
- Dr Anthony Dickinson
- Dr Hossam El Haddad
- Dr Adam Hamilton
- Dr Carolina Perez Rodriguez
- Dr Philip Tan
- Dr Benedicta Wong
