FHKAM(Dental Surgery)

Dr. Hui Sheung Yu, Bosco

BDS(HK), MDS(OMS)(HK), MOMS RCSEd, FCDSHK(OMS),
FHKAM(Dental Surgery)

Nowadays, implant offers great advantages for replacement of missing teeth. Our study club wants to offer our members a deeper insight in implant therapy, from fundamental to advanced treatment. With our experiences in oral surgery and prosthodontic treatment, we would like to share our views in implant assessment & planning, implant surgery, and the final restorations. Clinical experience and knowledge exchange would benefit everyone of us in the study club.

With Dr. Hui as an oral surgeon and Dr. Cheung as a prosthodontist, the experience of our team approach in implant therapy will be shared, with emphasis of digital planning and surgical techniques.
