

2021 André Schroeder Research Prizes

Call for Applications

The André Schroeder Research Prize for Preclinical Research and the André Schroeder Research Prize for Clinical Research represent today two of the most prestigious annual awards in the field of implant dentistry. The aim is to promote new scientific findings in implant dentistry and related fields.

If you have demonstrated new findings in the above fields, we cordially invite you to apply for the 2021 André Schroeder Research Prize for Preclinical Research or the 2021 André Schroeder Research Prize for Clinical Research. A cash prize of CHF 10,000 as well as an engraved gold medallion accompanies each award.

The ITI will also provide a flight to the award ceremony held at an ITI Congress and hotel accommodation for 1 night as well as a free congress ticket.

Go to www.iti.org/Andre-Schroeder-Research-Prize for further information.

Apply now! Applications are being accepted until **Sept. 15, 2020**

The terms and conditions as defined in the 2021 André Schroeder Research Prize application form apply.
