

International Team
for Implantology

Greater DC ITI Study Club

Dr. Kenneth Ingber, Director

Artificial Intelligence & Implant Dentistry

Learning Objectives

- The importance of proper treatment planning
- Strategies for mitigation
- What is the incidence as determined by implant position
- The importance of patient communication and long term follow up care

Course Description

As more people have been choosing to replace missing teeth with dental implants, the incidence of dental caries on adjacent natural teeth have increased. This can result in serious consequences both financially and psychologically to the patient in addition to the remaining dentition. This presentation will discuss the etiology and strategies for mitigation.

Course Information

Speakers:	Steven Present, DMD, FCPP
Date:	December 17th, 2024
Time:	Registration: 5:30 p.m. Program: 6:00 p.m. to 7:15 p.m.
Location:	Zoom Meeting
Audience:	All
AGD Code:	690
Type:	Lecture
SAC:	Advanced
CE Credit:	1.0 Hours
RSVP:	Please RSVP by 12/16/24 to Kenneth Ingber at keingber@upenn.edu
Phone:	202-297-6040

Steven Present, DMD, FCPP

Dr. Steven Present grew up in Brooklyn, NY. He attended the University of Wisconsin where he graduated with a degree in Medical Microbiology and Temple University School of Dentistry. He did postgraduate studies in microbiology and immunology at The Thomas Jefferson Medical College. Dr. Present is a clinical associate professor at Temple University Kornberg School of Dentistry, a Fellow of the International Team for Implantology, a member of The ITI's Speaker Library Committee, and a Fellow of the College of Physicians of Philadelphia. He holds a Certificate in Implant Dentistry and is a Diplomate of The Academy of Osseointegration. He was on the Academy's Subcommittee for Clinical Innovations, Chairman of the Academy's Fellowship Committee and a member of the Academy's Credentialing Committee and is the Director of The Global Outreach Chapter of the Academy of Osseointegration at The Kornberg School of Dentistry. He was the national dental advisor for Health Advocate Inc. and was on the faculty of Manor College's EFDA program from 1988 to 2015. He maintains a private practice in North Wales, PA. He was named one of Philadelphia Magazine's Top dentist in 2012 - 2020.
