

# Global Novas ITI Study Club and ITI Singapore Central *Presents*

25 JULY 2025

## NEW APPROACHES

for Esthetic and Periodontal  
Plastic Surgery by Dr. Takuya Satoh

**7PM – 9:30PM**

### **Dontia Digital Innovations**

1 Venture Ave, #01-10 Perennial  
Business City, Singapore 608521

### **About the Lecture**

Join us for an insightful evening with Dr. Takuya Satoh, as he presents groundbreaking treatment concepts in esthetic and periodontal plastic surgery. Discover how microsurgical techniques under magnification are revolutionizing minimally invasive approaches in periodontal and implant therapies.

**This session is a must-attend for dentists focused on esthetic excellence and modern surgical advancements.**

**Expect diagrams, clinical videos, and case showcases involving:**

- Esthetic zone periodontal & implant treatments
- Sinus floor elevation
- Anterior maxilla reconstruction
