

Loudoun ITI Study Club

Dr. Jason Bae, ITI Study Club Director

Design and Material Selection for Implant Restorations

Learning Objectives

Participant will walk away with an understanding of:

- Different designs for single unit implant restorations
- Different designs for multi unit implant restorations
- Material selection for the crowns for implant restoration

Course Description

Dr. Harshit Aggarwal will lecture on the various options in restorative materials used for straight forward and complex implant restorations. Each material will be discussed for their advantages and disadvantages. Cases will be reviewed as well.

Speaker Biography

Dr. Harshit Aggarwal is a prosthodontist practicing in Annandale, Virginia. He earned his Bachelor of Dental Surgery at Nair Hospital Dental College in Mumbai, India. After coming to the United States, he received a certificate in prosthodontics from the University of Medicine and Dentistry of New Jersey where he also earned his Master of Science in Dentistry. Since then, Dr. Aggarwal has taken on roles as an associate dentist and prosthodontist at dental practices in Wisconsin and Virginia. He has also delivered countless presentations, including some at the American Prosthodontic Society Annual Meeting. He is a diplomate of the American Board of Prosthodontists, a Fellow of the International College of Dentists, and a member of the American Dental Association.
